Future safety barrier (TL)

Details

If you have extreme demands regarding robustness and resistance, the WEMAS TL-safety barrier Future is your first choice. This is ensured by the firmly blown on lamp sockets and the UV-stabilised HD-PE. The centrally mounted carrying handle ensures ergonomic comfort during assembly and disassembly. The safety barrier is tested and approved according to TL-barriers 97 and ZTV-SA.

Item number : 305.460432.20.02

Highlights

- barrier made of UV-stable, impact-resistant plastic with carrying handle
